

Zach Habben selected as NBUA 2018 High School Varsity Coach of the Year

On May 22, 2018, Allen Christie had the distinct honor of awarding Zach Habben, Mt Si High School, as the NBUA High School Varsity Coach of the Year award recipient. Zach was nominated along with four other well deserving coaches (Keith Bosley-Nathan Hale High School, Hakim Finch-Cleveland High School, and Alan Bruns-Shorecrest High School) and was selected after a very close vote. A big thank you goes out to the NBUA members that nominated coaches and participated in the vote. The award is intended to recognize the positive actions of a high school varsity coach and the influence they have on their team. Zach was genuinely honored to be selected by NBUA for this award and intends to join the membership at the annual banquet on September 15th.
