

Redmond Parks And Recreation Department  
**MEN'S WOOD BAT BASEBALL LEAGUE**  
Philosophy, Organization and Regulations

**ORGANIZATION**

The league will be made up of teams returning from the previous year. Teams with 51% or more of their rostered players living or working in Redmond City limits will have first priority to enter the league. Additional teams that do not meet the resident requirements will be accepted into the program if space is available. 10-14 teams will be accepted in the league.

**PURPOSE**

The purpose of this program is to provide a recreational baseball league for players age **21** or older. The program is not intended for highly skilled players. The program is designed to provide enjoyable recreation and personal satisfaction through playing the great American game. The Parks Department cannot overemphasize the importance of the recreational quality of the program. For this reason, the Parks Department reserves the right to amend these regulations as needed to maintain this program philosophy.

Fees:	Program operating expenses will be supported in full by team fees. The fees will be collected and administered by the Parks Department.
Roster Size:	The <u>minimum roster size will be 12 players</u> . The recommended roster size is 15 to 16 players.
Code of Conduct:	The Participant Code of Conduct will be enforced, the umpire will enforce applicable rules and regulations.

**MANAGER RESPONSIBILITIES:**

1. The manager is responsible for all equipment issued to him.
2. The manager sets the line-ups and sees to it all participants receive fair and just treatment.
3. The manager sees to it that the team and all its members adhere to all program regulations.
4. The Manager will provide two new game balls to the umpire for each game.
5. The manager sits on, or assigns another team member to sit on the volunteer advisory board. The board will be comprised of a chairperson and a vice-chairperson elected from a group of representatives. A quorum of board members must be present to conduct any official business. Advisory Board meetings may be called by the league administrator, the board chairperson or by written request of any three baseball managers.
6. The Manager is responsible for informing the opposing manager if they will be playing all players present or using standard HS Rules for participation and substitutions. Standard rules include batting 9 players with the option of a DH and a re-entry option for starting players only.
7. If playing all players present, the manager lets the home team scorekeeper know before the game who their non-batting player(s) is/are, (if you choose not to bat a defensive player). Once players are designated as non-batting players, they may only enter the batting order if fewer than 9 players are able to bat. The manager is to have the line-up cards ready to go by game time.
8. The manager also keeps his team from possessing or consuming any alcoholic beverage while in a city park or at a school facility. The manager is responsible for ensuring that no alcoholic beverages are in the possession of, or consumed by any of his team members or their followers while in a city park or at a school facility.
9. Managers are responsible for control of all team members. Only the manager may question an umpire's decision. There will be no protests.
10. Manager's should make sure an official scorekeeper will be provided by the home team at each game. However, if a scorekeeper is not available, then both teams are requested to keep score. If a discrepancy arises, the book of the home team will be considered official.
11. The manager is responsible to report the final score to the Parks Department. Scores may be reported using the Auto Score feature, emailing Michael Locke, [mplocke@redmond.gov](mailto:mplocke@redmond.gov) or calling 425-556-2379.
12. The manager is responsible for field maintenance as described by the league director

## **PLAYING REGULATIONS**

Standard High School baseball rules will apply with the following special amendments:

- 1. Bats must be made of wood, or wood composite material. Metal bats, composite metal bats with any metal in them, and carbon fiber bats are not allowed. If there is a question about a bat it must be approved by the league coordinator.**
2. Each team must have eight (8) of their own players to play a league game. Teams will be given a 15-minute grace period before the game is forfeited. One player from the opposing team may be borrowed for defensive purposes if necessary. The player designated as "borrowed" will remain on the opposing team until a replacement arrives and he will then return to his own team. The borrowed player will not bat for the opposing team, but will be added to the bottom of his own team's batting order when he returns. The team that borrows a player must take an out at the 9<sup>th</sup> spot in the order until a 9<sup>th</sup> player arrives.
3. A courtesy runner may be used any time a runner safely occupies a base. Please note that the runner occupying the base, not the manager, makes the decision whether or not to use a courtesy runner. **COURTESY RUNNERS ARE TO BE USED ONLY TO RUN FOR INJURED PLAYERS, AND FOR THE CATCHER. The courtesy runner shall be the player in the batting order furthest from away from their next at-bat.** If he is unavailable for any reason, the runner must run for himself.
4. All games will run a maximum of 2 hours 20 minutes. No new innings shall begin after 2 hours and 10 minutes from the scheduled starting time, (time limit when there is a second game scheduled) at Hartman Park. (Note – Lights @ Bannerwood Park will go out at 11pm)
  - For 2018 – no new inning shall begin after 2 hours and 45 from the scheduled starting time. Games start at 7p and lights will turn off at 10p promptly.
5. All games are scheduled for 7 Innings
6. The Manager is responsible for informing the opposing manager at the start of the game if they will be playing all players present or using standard HS Rules for participation and substitutions. Standard rules include batting 9 players with the option of a DH and a re-entry option for starting players only.
7. There is NO 10-Run rule in this league. Teams may play 7 innings or until their time limit expires.

## **PARTICIPATION & SUBSTITUTIONS (IF TEAM CHOOSES TO PLAY ALL PLAYERS PRESENT)**

1. Each team's batting order will list all players who are "active" and present. If a player arrives after the game begins, that player will be added to the bottom of the batting order.
2. Defensively, there will be unlimited substitution. Players may enter and leave the game with no restrictions.
3. If a team chooses to do so, they may elect to have defensive players who do not have to bat. The scorekeeper and opposing manager must be notified of this decision before the start of the game. The player will be listed in the official book, but need not be included in the batting order. Once players are designated as non-batting players, they may only enter the batting order if fewer than 9 players are able to bat, or with permission of the opposing manager.
4. If a player is injured or needs to leave the game they can be removed from or replaced in the batting order with no penalty (assuming 9 batters are still available)

## **PARTICIPATION & SUBSTITUTIONS (FOR TEAMS USING ONLY 9 PLAYERS)**

1. Standard HS Baseball rules apply to teams batting only 9 players
2. Only starting players may be removed from the game and then re-entered
3. A Designated hitter may be used

## **STANDINGS**

Standings will be determined by W/L%. A tie will equal ½ win and ½ loss. Tie-breakers will be determined by:

It is incumbent on all team managers or, in their absence an assistant or the umpires, that a practice or game cease to continue if these regulations are not followed.

(Slide & Avoid)If a collision occurs and if, in the judgment of the umpire, the precipitating action was intentional, the offending player will be immediately ejected from the game and submitted to penalties prescribed in the Code of Conduct.
5. Aggressive tagging of a runner, or sliding in "spikes high" will not be tolerated. If the action is judged as intentional, the offending player will be immediately ejected from the game and will be subject to penalties under unsportsmanlike conduct in the Code of Conduct.
6. For the offensive team, only the hitter, the on deck batter, base runners and the base coaches will be allowed on the playing field. All other team members should be in the dugout. Bat boys or girls will not be used. All bats and other equipment not in use must be in the dugout.
